4. Food Booths: Food booths with baked goods and/or food gifts that are sealed, wrapped, and individually pre-packaged will be downstairs in the main craft area. Food for consumption at the Winter Arts Festival will be upstairs in the Multi-purpose room. In general, sealed, wrapped and individually pre-packaged foods are acceptable for sale if from a licensed commercial kitchen. Commercial Food Vendors selling food or drink for consumption at the event must have a single event license per below:

- **Insurance Requirements for Commercial Food Vendors.** All commercial food vendors will be required to show proof of liability insurance for \$1,000,000.00 (One Million Dollars) per incident, \$2,000,000.00 (Two Million Dollars) aggregate, and Gilpin County shall be listed as an additional insured. Proof of such insurance shall be provided before booth set-up. You may obtain this coverage either through your own insurance company or through the Tenant Users Liability Insurance Program (TULIP). Information about the TULIP program and quotes may be obtained from Arthur J. Gallagher Risk Management Services, Inc. at 1-800-333-3231.
- **Non-profit and non-commercial food vendors** may apply to take the new Online Food Handler Certification Course @ www.StateFoodSafety.com In order to have your liability insurance waived for the event, EVERY person who will be handling and serving food in the food booth must take and provide a certificate for this course. Not until every expected food handler can demonstrate certification will the requirement for insurance be waived for your booth.
- **Please realize that you will still be liable in the event a claim is filed.** The County's insurance does not protect the liability of other persons selling food items during any county event. It is also understood that the organization will remain fully responsible for its own actions in the preparation and sale of food at Gilpin County Events and that the County of Gilpin by offering this program assumes no responsibility of any kind in the event of any claim relating to preparation and sale of food in which your organization has participated.
- **No person under the age of 16 will be allowed to take the course**, and as such, if you have someone under the age of 16 working in your booth, they may NOT handle food. They are allowed to handle money, non-food items like napkins, plates or factory sealed items like soda or bottled water.

5. Gilpin County requires that ALL EXHIBITORS HAVE AN EVENT(S) LICENSE AND COLLECT SALES TAX (2.9%).

To apply for this license, go to <https://www.colorado.gov/pacific/sites/default/files/DR0589.pdf>. A copy of that license may be sent in with your application to the Event Coordinator or it must be sent within at least 10 days before the start date of the event. If you do not do either you must bring it with you and show it at check-in or you will not be allowed to set up your booth for the event. Booth applications with licenses provided prior to the event will be given priority in the vendor selection process. If you are a 501C3 organization, you only need to submit a copy of that document with your booth application. No vendor selling food or merchandise will be allowed to set up their booth without a special events license or the appropriate non-profit documentation.

6. Nothing may be hung from or attached to the walls or ceiling.

7. All vendors must bring trash bags and CLEAN UP their areas before leaving. At the end of the day, you may place your trash in a designated location for pickup.

8. Set-up: When you arrive, check in at the back of the Gilpin County Community Center to receive your booth assignment. You may unload either through the front of the building or drive around to the back and use the doors entering the gymnasium. We do have an elevator if you need it. After unloading, please move your vehicle immediately so that space is available for other vendors when they arrive. On the day of the event, please park your vehicle in the dirt parking lot in front of the fairgrounds so that people coming to the Winter Arts Festival can park.

9. Any problems a renter encounters with their booth space should be immediately reported to a Gilpin County employee. We will make every effort to resolve the issue to the satisfaction of both the renter and Gilpin County. If the renter is not satisfied with the decision of Gilpin County, the renter may file a written appeal to Gilpin County Parks & Recreation at 250 Norton Drive, Black Hawk, CO 80422 after the Festival. The written request should include all pertinent information including name, booth name, complaint and what you wish GCPR to do. The decision of GCPR will be final.
